

AFTER-HOURS

We provide 24 hour care for our patients, seven days a week in partnership with The West Australian Deputising Medical Service (WADMS). Please call us on 9447 9711 for assistance. Out of surgery hours patients may contact WADMS direct on **9321 9133** although during surgery hours we are required to place the call on your behalf.

HOME AND OTHER VISITS

Home visits may be available for regular patients of this practice whose medical condition prevents them from attending the surgery.

PHONE CALLS TO DOCTORS

GPs in the practice may be contacted during opening hours although our Doctors are unable to provide telephone consultations. We do appreciate, however, that sometimes it may be necessary for you to call and if your Doctor is with a patient you may be asked to hold or our receptionist will advise you when it is likely that your Doctor will return your call. In an emergency your call will be put through to a Doctor.

REMINDER SYSTEM

Our practice is committed to preventative care. Your doctor will seek your permission for you to be included in our reminder system so we may issue you with a reminder notice from time to time offering you preventative health services appropriate to your care. If you do not wish to be part of this system, please let your Doctor or receptionist know.

SMOKING POLICY

This practice operates a strict non-smoking policy. Your co-operation is appreciated.

SCRIPTS, REFERRALS & TRAVEL LETTERS

In the interests of your health and well-being, an appointment is necessary for all prescriptions, referrals and travel letters.

MEDICAL CERTIFICATES

If you need a medical certificate for work or school, it is important that you see a Doctor for the day it is required. Certificates will not be written without a consultation and, legally, cannot be backdated.
